Dark Horse Smells Like a Safety Meeting, 3 Floyds Zombie Dust, Shorts Huma Lupa Licious

APPEARANCE

Golden-yellow with a well retained fluffy white head.

FLAVOR

This IPA has an intense citrus aroma, with significant pine flavors on the top of the palate. There is light-medium body, with some softness, contributed by the rice flakes.

BREWER'S NOTES

An intensely hoppy and bitter American style IPA designed for those with a real and deep passion for hops. A beer this light and hoppy, you could spend just as much time smelling it as you could drinking it!
