

# ROUND BARN DISTILLERY

---

## 269 Gin

### Blend

*Grape base*

### Statistics

*Alcohol: 40% (80 proof)*

### Distilling

*Vapor infused with juniper, coriander, cassia bark, angelica root, fresh orange peel, and cardamom.*

### Distiller's Notes

*Our gin is distilled using a vapor infusion technique and our grape spirit as the base. We add juniper, coriander and citrus to create a classic-style that is perfect for cocktails. The name "269" was inspired by our area code.*

### Mixology

*Great on the rocks or use in your favorite gin cocktails and mixed drinks. Our personal favorite is a splash of grapefruit juice and tonic.*
